"Indian Society for Education and Environment"

by DD or thro' State Bank of India (A/c: 30653290942, NRI Adyar, Chennai-600 020, India, Br. Code: 11654, Swift BLC: SBININBB687, IFSC No.:SBIN0011654)

Research Articles: *Indian Journal of Science and Technology* publishes original research findings of basic sciences and technological advancements after peer review. Email your articles directly to the Editor or Editorial Board members. For recent information please refer online: <http://www.indjst.org>.

Reviews: are of the current importance and at the same time they pave way for future work. Cover those topics of obscured or scattered information which demand logical analysis by putting the pieces together. It should generate newer outlook on socio-scientific problem.

Short Communications: Intended to publish a piece of novel findings that may emerge from the ongoing current research projects then and then.

Popular Articles: Its main focus is that the scientific advancement should reach everyone. The lucid style of writing and at the same time with useful information will find acceptance. The cause and effect of biological and environmental events, physical phenomena in daily life and the impact of scientific and political developments in commoner's life are the central theme. The references are kept at bare minimum; scientific jargons are supported with layman's language.

Science & Technology Education: Includes innovative methods & action research in teaching-learning process. Authors can publish themes, observations and tests aiming at any educational levels. Particularly, problem-based e-learning methods, creation of user-friendly digital learning source, animation models and virtual tools are encouraged.

Education for Sustainable Development: Strives to contribute its mite for the cause of United Nations Decade of Education for Sustainable Development (2005-14). To this effect, environmental policy analysis & their impact at national & international levels are welcome.

Indexing by: Among others, Chemical Abstract & Indian Science Abstract; listed by: DOAJ, EBSCO, Google Scholar, ProQuest, Thomson Reuters, Ulrich's etc.

Publication: Quality articles after peer review are published online as well as in print (access full article at: www.indjst.org).

Open access policy: The full access to 'current' articles and 'archive' potentiates for higher citation index, greater visibility & global recognition of the author(s)'s work; justifies the public funded projects benefitting the public/ researchers to access the results freely.
