

Indian Society for Education and Environment (iSee)
was established in 2008 with the main objective:

- ✓ To promote quality education.
- ✓ To support digital teaching programs for effective learning.
- ✓ To train youths under “professional development schemes”.
- ✓ To identify and support quality assessment schemes in educational sector.
- ✓ To coordinate and support programs for continuous- and distance-education.
- ✓ To develop methods and programs to educate the rural poor; To identify and nurture rural talents.
- ✓ To co-ordinate, assist and promote sustainable environmental education and environmental health watch programs.

iSee publication includes books and Journal
